

OIST-KEIO SHOWCASE TALK

Wed, April 28th, 2021 17:00-18:00

Online (Zoom)

Okinawa Institute of Science and Technology (OIST), founded by the Japanese government to contribute to science and technology worldwide, and Keio University, Japan's very first private institution of higher learning located in the center of Tokyo, are starting a series of short seminars (OIST-KEIO SHOWCASE TALK) to introduce each other's researchers to promote future collaboration.

**Free Admission
Registration Required**
