

Cutting Edge of Stem Cell Medicine

2011年5月16日(月)慶應義塾大学信濃町キャンパス 総合医科学研究棟 1階 ラウンジ

Symposium: Monday, May 16th 13:00—18:55

13:00	Opening
13:05	Lecture ① Keiyo Takubo 田久保圭誉 Lecturer, Department of Cell Differentiation, the Sakaguchi Laboratory of Developmental Biology, Keio University Glycolysis maintains quiescence of hematopoietic stem cells
13:30	Lecture ② Masanori Imamura 今村公紀 Project Instructor, Department of Physiology, Keio University Derivation of proliferative germ cell lines from mouse induced pluripotent stem cells
13:55	Lecture ③ Dr.Emi K Nishimura 西村栄美 教授 Professor, National University Corporation Tokyo Medical and Dental University Stem Cell Regulation by Stem Cells
14:30	break
14:35	Plenary Lecture Dr.Hans Clevers Professor, Hubrecht Institute & University Medical Centre Utrecht, Utrecht, the Netherlands Lgr5 Stem Cells in self-renewal and cancer
15:45	break
15:50	Lecture ④ Toshiaki Noce 野瀬俊明 Professor, Keio Advanced Research Centers, Keio University Potentiality of creating gametes from pluripotent stem cells in culture
16:20	Lecture ⑤ Masaki Ieda 家田真樹 Associate Professor, Department of Clinical and Molecular Cardiovascular Research, Keio University Direct Reprogramming into Cardiomyocytes with Defined Factors
16:45	Lecture ⑥ Wado Akamatsu 赤松和土 Assistant Professor, Department of Physiology, Keio University Induction of neural stem cells from adult mouse fibroblasts
17:10	Lecture ⑦ Toshiro Sato 佐藤俊朗 Lecturer, Department of Inter Medicine, Keio University Development of novel human intestinal stem cell
17:35	break
17:40	Lecture ⑧ Hideyuki Okano 岡野栄之(Global COE拠点リーダー) Professor, Department of Physiology, Global COE Leader, Keio University Regeneration of the damaged CNS using human iPSCs-derived neural progenitor cells
18:15	Poster presentation (Announcement relay-style for three minutes) Venue: Entrance Hall, Institute of Integrated Medical Research Ai Ikejiri(D4), Saleh Marwah Adly(D4), Naoshi Kawamura(D3), Junichiro Miyazaki(D3), Daisuke Araki(D3), Kazue Yoshida(D3), Hirofumi Toyama(D2), Yuki Inagawa(D2), Yan Xiaoxiang(D2), Zachary Yu-Ching Lin(D2), Jun Tsuyama(D1), Nozomi Hayashiji(D1)
18:55
