

## Response to COVID-19 during Graduate School of Medicine Entrance Examinations Conducted AY2026 — Application Period I

The Graduate School of Medicine entrance examinations conducted AY2026 — Application Period I will be held as follows. For domestic applicants, entrance examinations will be held in person. For international applicants, examinations will be partially conducted online and supplemented by paperwork prepared in advance by the applicant. Please check back regularly, as details are subject to change based on university policy regarding COVID-19.

### All Applicants

#### For Those Taking the Entrance Exam in Person

Please take the following measures to help prevent the spread of COVID-19:

- 1) Please help us keep everyone safe by disinfecting your hands with the alcohol-based sanitizers provided at the examination venue entrance and by washing your hands.
- 2) You may decide for yourself whether to wear a mask during the exam. However, we do ask everyone to cooperate with removing their masks when instructed to do so by examination proctors checking the photo identification of examinees. All staff will wear face masks. Additionally, some examination venues may require masks for entry, so please bring a mask with you.
- 3) If you are feeling unwell on the day of the examination, please notify an examination proctor immediately.
- 4) About the examination venue:  
Seats in the examination venue will be arranged in ways to maintain social distancing between examinees, and the venue will be well-ventilated.  
During interviews, seats will be arranged in a manner that maintains social distancing.
